

Night Songs (2012)

Für Orchester

Verlag: Chester Music, London

Bemerkung: Helen Grime: The title and starting point for this nocturnal miniature comes from a box assemblage by the American artist Joseph Cornell. Although the box itself is quite small, I was struck by Cornell's ability to create a self contained miniature world. There is a melancholy yet fantastical undertone to the work and this is something I have attempted to create in Night Songs.
